INNOVATIVE MINDS WITH
INTERNATIONAL VISION

International College

King Mongkut's University of Technology North Bangkok

WHY IC KMUTNB?

The International College KMUTNB is where aspiring future international professionals and entrepreneurs hone their hands-on business skills, professional experiences, intercultural competencies, and build their first professional connection.

Our students are encouraged to think innovatively and develop their 'entrepreneurial mindsets' through carefully designed curriculum, activities and inspiring learning environment that sharpen their professionalism and competencies.

WHY ITBL?

Our BBA International Trade and Business Logistics (ITBL) is more than a qualification, it is designed to prepare the next generation of business professionals, equipped with knowledge and understanding of the ever-changing international business environment. ITBL curriculum combines specializations in international trade and supply chain management, giving our graduates a unique and complete perspective into global business and supply chain.

To prepare our students for professional world, we also emphasize on practical learning through business projects and Co-Operative Education, a mandatory 16-weeks internship. We also foster strong academic collaboration with overseas partners for research and academic exchange
